Attendance Class Reward

As part of our new attendance policy, which has been developed this academic year, each week classes take part in a competition to have the highest combined class attendance. The winning class earns a whole class reward. This may include a class party, extra break time or extra golden time. The class reward is selected by a majority vote. Each week the winning class will be announced in our Monday assembly and will be sent home to be celebrated on our weekly newsletter. Well done to this week's winners!

Personal Development – Summer 1

This half term in personal development we will be focusing on 'Understanding Others'. We will have weekly assemblies that focus on this theme. Children will be receiving certificates in assemblies for showing that they are trying to understand others in their classes. Look out for these personal qualities at home and let your class teacher know if you notice your child trying to understand others. See the attached posters for the personal development milestones for each key stage.

Many thanks for your continued support,

Mrs Harris, Miss Hobson and Mrs Laker
